

An Introduction to the RSE movement

(and why you want to join!)

Kirsty Pringle,

Software Sustainability Institute &
Edinburgh Parallel Computing Center

SSI Collaborations Workshop

2012

#RSE10Years

Timeline..

- **2014** UK Research Software Association is formed
- **2016** First RSE conference (with attendees from 16 countries)
- **2017** The movement grows with RSE associations forming in other countries
- **2019** The Society of Research Software Engineering charity was formed
- **2020** SORSE – Series of Online RSE events
- **2021** International Council of RSE Associations formed

The Society for Research Software Engineering

- Registered charity with 10-12 trustees from across the RSE community, voted in at each AGM
- Membership is £20 per year
- Access the Events & Initiatives fund
- Contribute to special interest groups.
- Apply for the Society's mentorship scheme.

ScotRSE – a Network for RSEs in Scotland

- Scotland channel on UKRSE Slack
- Mailing list: scotrse@jiscmail
- Proposal:
 - Online meetings every other month with rotating hosts
 - Showcase RSE groups / work
 - Annual in-person meeting (?)

Thanks
