

# 11th Community of Edinburgh Research Software Engineers (CERSE) meeting

A meeting to:

**Share knowledge** (interesting software tools, infrastructure, teaching methods, existing networks, new projects!)

**Meet people**

Supported by

SSI ([software.ac.uk](https://software.ac.uk))

# 11th Community of Edinburgh Research Software Engineers (CERSE) meeting

A meeting to:

**Share knowledge** (interesting software tools, infrastructure, teaching methods, existing networks, new projects!)

**Meet people**

Organised by:

**Mario Antonioletti**, Chris Halcrow and Andre de Araujo Vieira.

In October: day at the Digital Research Conference, organised by Andre de Araujo Vieira.

In Dec/Jan: organised by Declan Valters.

*Many hands make light work.*

If you'd like to help out or give a talk: get in touch!

[chalcrow@ed.ac.uk](mailto:chalcrow@ed.ac.uk) or reach out on RSE Slack channel.
